CLASS SONG-1924

Words and Music by Margaret O'Connor

Chorus:

Oh Lincoln, Our High School
It is from you we part;
We leave you forever
For on life's road we start.
We've been with you for just a
little while,
And as we leave you
It is but with a smile.

Verse:

We've loved all our school days
And we regret to leave,
But now we must do so
For our credit we've achieved.
We've had our good times here
That we shall ne'er forget,
But now we are leaving, and
for life's work we're set.
(Back to chorus)
